

Sayyiduna Israfil (a.s) will blow the trumpet twice. The first time everyone on the Earth will die, the second time everyone will be risen for questioning. The people who have died before this first blowing will obviously be subjected to the punishment of the grave if they deserve it until they have been risen. Does this mean that the people who have died due to the first blowing of the trumpet will not receive the punishment of the grave?

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ
السَّلَامُ عَلَیْكُمْ وَرَحْمَةُ اللّٰهِ وَبَرَكَاتُهُ

That is correct as there is no punishment in the grave between the two blowings of Sayyidun Israfil's Bugle.

وَاللّٰهُ اَعْلَمُ وَعِلْمُهُ اَحْكَمُ وَ اَنْتُمْ
